LVCM COMMUNITY DEVELOPMENT CORPORATION

LVCM Community Development is facilitating a social determinant of health effort, in partnership with Equity Allies Giving Circle, the NC Justice Center, hospitals, and community and faith-based organizations, to assist residents in relieving, preventing, and protecting against medical debt.

Take Action Today:

- Check your eligibility (Medicaid, FPL status, SNAP, WIC)
- Save hospital bills & appeals
- Reach out to local navigators & trusted partners
- Spread the word – no family should face medical debt alone

Host

- Allow us to bring "Healing Without Debt" info to your organization's events
- Share with your congregation during Bible study
- Host a forum on Medical Debt with us via Zoom.

Engage

- Stand alongside community leaders and advocates
- Endorse the initiative by submitting a letter of support.
- Be part of delegations to the NC General Assembly in Raleigh.

Ways to Engage with Healing Without Debt: Guilford

Organizations and institutions across Guilford County are essential partners in this systems-change effort. Together, we can relieve, prevent, and protect residents from the burden of medical debt.

Stakeholder Commitments

Here are meaningful ways your organization can get involved:

Provide Letters of Support

- Endorse the initiative by submitting a letter of support.
- Show solidarity with residents, partners, and policymakers working for change.
- Letters can be shared with funders, legislators, and media to demonstrate broad community backing.

Share Stories of Impact

- Collect and share stories of how medical debt affects families in your community.
- Personal stories amplify the urgency of change and put a human face on the issue.
- Partner with us to highlight these stories in safe, respectful, and impactful ways.

Participate in Health in the Streets & Community Health Events

- Bring your staff, volunteers, or organizational presence to our Health in the Streets outreach events.
- Provide educational resources, health screenings, or community services.
- Engage directly with residents to raise awareness of medical debt relief opportunities.

Join Press Conferences & Media Engagement

- Stand alongside community leaders and advocates during press conferences.
- Share your organizational perspective on the importance of medical debt relief.
- Help us spread the message widely through local and regional media.

Advocate in Raleigh – Advocacy Days

- Be part of delegations to the NC General Assembly in Raleigh.
- Meet with legislators to highlight the importance of medical debt relief protections.
- Demonstrate broad, cross-sector support for long-term policy change.

Why Your Partnership Matters

Your organization's involvement strengthens a growing movement for systemic change. Whether through advocacy, storytelling, outreach, or public support, your role ensures that no one in Guildford County is left behind.
