

LVC Community Development is facilitating a social determinant of health effort, in partnership with the Equity Allies Giving Circle, NC Justice Center, hospitals, and community and faith-based organizations, to assist residents in relieving, preventing, and protecting against medical debt.

Guiding communities to relief and lasting change.

Join the Movement:

Join community leaders, hospitals, faith partners, and advocates as we work to relieve, prevent, and protect residents from medical debt.

Together, we can:

- ✓ **Relieve** residents of medical debt burdens
- ✓ **Prevent** future debt through education & access
- ✓ **Protect** communities with stronger policies
