West Feliciana High School Athletic Hall of Fame

Mission of WF Athletic Department

The mission of the West Feliciana Parish Athletic Department is to provide opportunities for our students through an extensive interscholastic, education-based athletic program.

Coaches act as teachers who reinforce sport-specific skills and body conditioning and develop life skills such as commitment, discipline, loyalty, empathy, and moral courage.

We do this by providing a safe yet competitive environment that will enhance the educational experience of our student-athletes.

Purpose of the West Feliciana Athletic Hall of Fame

West Feliciana High School wants to honor and recognize men and women who have made significant contributions to Saints Athletics through a Hall of Fame program. This program recognizes those individuals whose distinguished careers and outstanding dedication have furthered the excellence inherent in the athletic program at WFHS. This program also shows appreciation to those whose actions have promoted and supported athletics as a vital pillar of WFHS. The recipients of this award have been determined to exemplify the values of character, honor, and sportsmanship.

Induction into the Hall of Fame is the highest honor bestowed upon those who have acted to preserve the spirit and tradition of Saints Athletics in one of the three categories: Female Student-Athlete, Male Student-Athlete, and Saints Stakeholder.

Membership in the West Feliciana Athletic Hall of Fame honors any person, living or deceased, who has demonstrated outstanding dedication to the athletic program; whose actions portray characteristics which further the mission of West Feliciana Athletics; and whose life and accomplishments serve as an inspiration to the student-athletes of West Feliciana.
