Historical Facts and Biblical Context

POWERFUL DREAMS IN THE BIBLE

- Solomon makes one of the most important decisions of his life in a conversation with God in a dream where he asks for wisdom, and God grants him riches, honor, and a long life **(1 Kings 3:5-15)**.
- Gideon receives courage and a word from the Lord through a dream and its interpretation in the enemy's camp; that dream unleashes the victory of the Lord through Gideon and his army **(Judges 7:9-16)**.
- Joseph's dreams lead him to save a nation through a famine, including the restoration and salvation of his entire family **(Genesis 37-50)**.
- The Magi and Joseph in the New Testament: Jesus' earthly father has a series of dreams that constantly give the family direction on how to escape the murderous plots of Herod and where to go to flee from destruction to preserve the Messiah **(Matthew 2:12-13)**.
- All throughout God's Word, He used dreams to communicate to His people some of the most powerful conversations of His will, protection, and provision.
- Dreams were a consistent and normal way that God speaks to His people.

SPIRITUAL DREAMS

- Spiritual dreams are powerful and are either encounters with God or encounters with demons.
- Everything in your life that you go through, dream, or wonder about - the answer is in the Bible.
- Spiritual dreams are an opportunity for God's wisdom and insight to be released in your life; as you seek their meaning, you gain more of God's wisdom.
- Interpretation comes from the spiritual gift of wisdom.

Warning Dreams

- What most people call "demonic dreams" aren't demonic - they are "warning dreams."
- Warning dreams should be terrifying; they keep you fearing the Lord.
- God brings you warning dreams to help you, teach you, and warn you.

DEMONIC DREAMS

- These are usually demonic encounters, or thoughts from the real spiritual battles happening in your mind as you sleep.
- Sometimes it is warfare, and sometimes it is access you have given to the enemy in your life.

Warnings

- Don't write off seemingly demonic dreams.
- You cannot properly interpret dreams without a relationship with God.
- Do not be flippant about atmospheres you go into that have been opened up to the demonic.
- By embracing sin you do more than let your guard down - you completely open the door to the demonic.
- Pride can cause terrifying dreams, warning dreams, and sleepless nights, and will keep you from interpreting dreams.
- Sexual sin opens the door to provocative and terrifying dreams.
- Empathy toward sin will open you up to the demonic.
- People who resist warnings are fools according to the Bible.
- When God's voice is scarce, the voice of witchcraft becomes influential.

Correctly and Practically Interpreting Dreams

01 Go to your Word

Colors, symbols, places, different parts of God's creation, clothing pieces, etc., all have meanings found in the Bible. Vehicles are ministries, snakes are different forms of witchcraft or demons, children can resemble the next generation, and pastors can resemble the leadership of the church. There should be fulfillment of dream interpretations.

02 Go pray and seek God's voice

God gives you dreams for you to understand them; it is an invitation to talk to Him.

03 Go submit it to a Spirit-filled friend, family member, pastor, or someone who is a spiritual leader

This does not mean they will always get it right; they also need to seek God to hear from Him. Do NOT go to worldly people for this: mediums, social media, Google, New Age leaders, or random "spiritual leaders."
